

Flexible Pricing Strategies

Empower your business with innovative pricing options:
Cash Discounts and **Surcharging**

Cash Discount

Reward your customers for paying with cash while saving on credit card processing fees.

Pepper Pay's innovative cash discount solution makes it easy to offer reduced prices for cash payments, keeping your business efficient and your customers happy. It's a win-win strategy for your bottom line!

Why Us?

- Effortless implementation of pricing strategies.
- Transparent and compliant payment solutions.
- Enhanced customer satisfaction and loyalty.

Surcharging

Pass on credit card processing fees to customers who choose to pay with cards.

Pepper Pay's surcharging solution ensures seamless transactions while helping you maintain your profit margins. It's a smart, hassle-free way to manage costs and boost your financial efficiency—without compromising on service.
